

1000' extension is not shown on any map

We extended the runway and the zones to match

Dutchman Creek Middle is currently in noise zone 3

If the zones were extended correctly with the 1000' extension then both Dutchman Creek and Mount Gallant Elementary are in the zones.

They based this data on a Gulfstream II aircraft – this aircraft is a mid-sized aircraft

Yellow is existing

White is revised with 1000' extension
